🎬 Hollywood Casting Call – Lead Hero Role

Production Company: Warner Bros. & DC Studios

Project: *Untitled Superhero Feature Film*

Location: Los Angeles, USA (with international shoots)

Contract Type: Full-time (12-month production cycle)

🌟 Role Overview

We are seeking a **highly skilled, physically capable, and charismatic Lead Actor** to portray a legendary superhero in an upcoming blockbuster film.

The ideal candidate will embody strength, intelligence, resilience, and moral integrity while delivering a compelling on-screen performance.

🎯 Key Responsibilities

- Portray a **complex heroic character** with emotional depth and authenticity
- Perform **high-intensity action sequences** (fight scenes, stunts, wire work)
- Collaborate with directors, stunt coordinators, and VFX teams
- Maintain **peak physical condition** throughout filming
- Participate in **global press tours and promotional events**
- Adapt performance based on script revisions and creative direction

---

🧠 Required Skills & Qualifications

- Proven experience in **acting, performance, or character portrayal**
- Strong **physical fitness and stamina**
- Ability to perform (or train for) **combat choreography and stunt work**
- Excellent **communication and teamwork skills**
- Ability to remain composed under pressure and tight deadlines

- Strong **public presence and media confidence**

💥 Preferred (Bonus) Skills

- Experience in **method acting or character immersion**
- Background in **martial arts, military training, or athletics**
- Experience with **motion capture / CGI acting**
- Multilingual abilities (for international press and audience reach)

📜 What We're Looking For in Your CV

Applicants must submit a CV that clearly demonstrates:

- Alignment between **your skills and the role requirements**
- Relevant "experience" (this can be creative—missions, achievements, etc.)
- Measurable accomplishments (e.g., "Saved 1,000 civilians," "Defeated 12 villains")
- Unique strengths that differentiate you from other "heroes"

🎥 Audition Process

1. CV Screening
2. Screen Test
3. Physical Assessment
4. Final Interview with Director
